Subject: [External] Dominion Energy rate increase----Objection

I hereby register my objection to a rate increase by Dominion Energy.

Particularly in this "COVID era," when businesses are struggling and, therefore, business owners and employees are struggling, it is unthinkable that rate increases for anything necessary for everyday life would increase.

Please do not allow this to happen.

Thank you from an owner of three small business...two of which have been forced out of business for months (one permanently). The result: having to let staff go or reduction in staff, giving up office space and reducing expenses to bare bones.

Thank you from a 7 year old widow, who lives alone and is trying to make ends meet.
